WELCOME

Welcome to the 2021 BCHL Showcase in Chilliwack, B.C.

After a year off in 2020, we are thrilled to bring the league Showcase back to Chilliwack where it has been held since 2012. We expect this year's Showcase to continue to highlight the young and bright talent coming through the British Columbia Hockey League.

Last season, we had 359 BCHL alumni playing Division I college hockey with at least one alumnus on 60 of the 61 Division I Programs. On top of that, we had 37 BCHL alumni that suited up in the NHL with several more at the AHL and ECHL levels.

With the league's college and professional track record, we expect this year's Showcase to be another launching pad for our next generation of players.
